

## Network People Services Technologies Limited (NPST) gets ESG Score of 66 by Resurgent ESG Services

- *The rating was conducted using Resurgent ESG's proprietary framework, combining data and direct engagement.*

**New Delhi, March 25, 2026 - Resurgent ESG Services Private Limited** (Resurgent ESG), a wholly owned subsidiary of Resurgent India Limited and a SEBI-registered ESG Rating Provider (ERP), has assigned an ESG rating to Network People Services Technologies Limited (NPST). The ESG score assigned to the **NPST for the FY 2025-26 (Data based on FY 2024-25) stands at 66, which corresponds to an ESG Rating of A.**

NPST, one of the country's leading digital payments and transaction processing company, has been evaluated through Resurgent ESG's rigorous and comprehensive ESG assessment framework. The rating reflects the company's current ESG profile, measuring the impact of its technology-driven business activities on the environment and society, as well as the strength of its governance practices in supporting a secure and inclusive payments ecosystem.

Commenting on the importance of ESG ratings, **Mr. Sanjeet Kumar, Director, Resurgent ESG Services Pvt Ltd.**, said, "ESG Ratings are rapidly becoming a major benchmark for all Indian Companies influencing decisions regarding investment, credibility of brands, and regulatory compliance such as SEBI's BRSR framework. Improved ESG performance also helps companies to manage the long-term risks, improve sustainability, and potentially lower the cost of capital. In today's time ESG is not only about the compliance, but it is also about building future ready businesses."

This rating will serve as a valuable tool for NPST and its stakeholders, enabling informed decision-making and supporting the company's ongoing ESG journey.

Resurgent ESG's rating methodology goes beyond publicly available disclosures, incorporating a comprehensive assessment framework. This approach ensures that the ratings consider both quantitative and qualitative factors, providing investors and market participants with a reliable view of the entity's sustainability profile and future outlook.
